J.K. ADAMS WINE STORAGE RACK

These geometrically proportioned wine racks will fit into virtually any space—and are infinitely expandable. Each wine rack kit comes packed with enough extra joining pins to allow you to add on more racks as your wine collection grows. Precisely constructed of solid hardwood, the pins seat so snugly into the octagonal beams so no glue is needed for assembly. Each bottle is securely cradled.

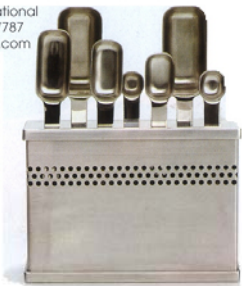

Suggested Retail Price: Six-bottle rack for \$31; 12-bottle rack for \$53; 40-bottle rack for \$148

ORGANIZE-IT-ALL RECYCLING BIN

Recycling is easy with the three-compartment recycling bin from Organize-It-All. This plastic bin makes it easy to separate glass, plastic and paper into multiple compartments. The bins are about 15 ½" tall and hold about 15 liters. A foot pedal is used to open the lid, and the pedals are also conveniently color-coded to make it easy to identify glass, paper and plastic.

Suggested Retail Price: \$79.99-129.99
